

LIFETIME ACHIEVEMENT IN  
HEALTH INNOVATION AWARD  
NOMINATION FORM

## Submit a Nomination – Lifetime Achievement in Health Innovation Award

Administered by VGH & UBC Hospital Foundation, this annual award is presented to and recognizes the outstanding capabilities, achievements and exemplary leadership of a senior individual, with a current or past connection to Vancouver Coastal Health facilities, in the medical device, biotech, diagnostics and healthcare industries. The individual's contributions may include new innovations, new knowledge, and/or new ways to improve professional practice within BC's healthcare system. Their performance will be evaluated on several factors including financing, partnerships, mentorship, accomplishments of milestones, and commercial growth.

**November 9, 2020** is the deadline for submissions of all 2021 Lifetime Achievement in Health Innovation Award nominations.
