

Heritage Circle Recognition Program

Philanthropy is the vital link that transforms good health care into exceptional care.

For over 40 years, VGH & UBC Hospital Foundation and its donors have served as the bridge between the essential services funded by government and the advanced, innovative care that saves lives and improves outcomes.

+Your legacy: a healthy future

By planning a future gift to VGH & UBC Hospital Foundation, you become part of a community of compassionate individuals committed to giving back to our health care system. Your legacy will help ensure that future generations of British Columbians continue to have access to world-class medical care—when they need it most.

In recent years, estate gifts have made a profound impact, helping to advance health care across our hospitals. Thanks to the generosity of legacy donors, we have been able to:

- Renovate and expand Vancouver General Hospital's Renal Dialysis Centre
- Support a province-wide program focused on improving men's health
- Fund groundbreaking research into women's heart health
- Acquire state-of-the-art CT scanner technology for faster, more accurate diagnoses

These are just a few examples of how legacy gifts help shape the future of health care in British Columbia.

+Heritage Circle Recognition Program

+Leslie Diamond Women's Heart Health Clinic

Western Canada's first. Funded by donors, built for women.

+Pathology Lab

Largest in Western Canada, accelerates cancer diagnosis from days to hours.

+Chemo KIRO Robots

Delivers chemotherapy with greater efficiency. First at VGH.

+Photon-Counting CT Scanner

Canada's first, accelerates diagnosis for stroke, cardiovascular disease and cancer.

Future gifts include:

- gifts in wills
- life insurance
- trust arrangements
- registered funds (RRIF, RRSP, TFSA)
- donor advised funds
- gifts of securities

This is VGH+ You

The leading charity investing in health care innovation in BC

We established the *Heritage Circle recognition program* to honour those who have planned a future gift to VGH & UBC Hospital Foundation. This special program allows us to express our gratitude and celebrate our donors during their lifetime, recognizing the lasting impact their generosity will have on future generations.

Heritage Circle members are recognized and celebrated in meaningful ways. Recognition may include:

- Invitations to exclusive Foundation events
- Updates on areas of interest within our hospitals
- Name recognition on donor walls at VGH and UBC Hospital
- Opportunities to share your story in VGH & UBC Hospital Foundation publications

These acknowledgements reflect our deep appreciation for the legacy our Heritage Circle members are creating.

At VGH & UBC Hospital Foundation, we deeply value our relationships with Heritage Circle members.

We are committed to honouring your wishes—whether you choose to be recognized publicly or prefer to keep your gift anonymous. It is entirely possible to enjoy the benefits of Heritage Circle membership while maintaining your privacy.

Your support as a Heritage Circle member helps ensure that exceptional health care is available for you, your loved ones, and all British Columbians—today and for generations to come.

Thank you for making a lasting difference.
